OpenAI has finally announced the GPT Go subscription, which costs just \$4 in the US or INR 399 in India.

Unfortunately, the cheapest paid version of GPT is limited to India for now.

If you live in India or have an account made in India, you'll now begin seeing a nudge to try GPT Go when you're using a free account.

[IMAGEM REMOVIDA]

GPT-5 with advanced reasoning

Expanded messaging and uploads

Expanded and faster image creation

Expanded memory and context

Expanded deep research and agent mode

Projects, tasks, custom GPTs

Sora video generation

Codex agent

OpenAI added that ChatGPT Go includes higher usage limits than the Free plan for core chat and tools.

However, limits may vary based on system conditions.
